FERRY CYCLING COUNTY FEDERATION

Emergency Barstow Flier!

April 2022

We screwed up!

In the last Dispatch (Vol 2 #1), we talked about the Inchelium Skate Park plan and how there was an RCO and how important it was for you to write a letter of support!

As you no doubt know by now, we gave you a crap address. For those of you (likely all?) who sent a letter of support, then it has been returned.

The address we gave was so wrong. Bad intel. And we didn't verify. We trusted without verification. This was a lapse. It will not happen again.

We've sacked the entire editorial department and the janitor for good measure.

Please resend your letter of support to this correct address:

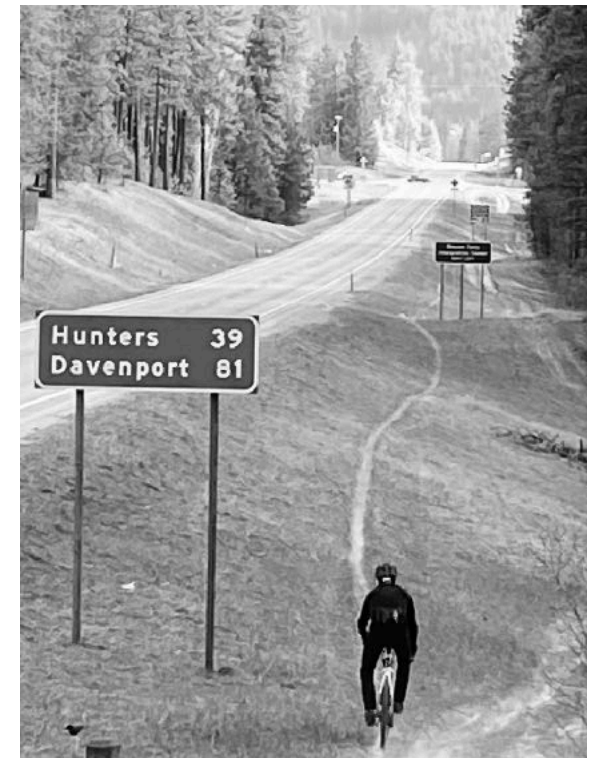

**Boys & Girls Club of Inchelium
PO Box 143
Inchelium, WA 99138**

And if you haven't yet sent a letter of support, please get on it! Especially now that we've published a one-off special collector edition flier of the FCCF.

For those of you that have to resend a returned letter, of course we will reimburse you the cost of the stamp. Send a self-addressed, stamped #10 envelope with a receipt for your stamp to our address and we'll send you a stamp forthwith.

Livvy getting rad on the Huffy on the river road. Barstow.
